Overview

IPEDS Student Financial Aid Component Overview - Academic Reporters

Welcome to the Student Financial Aid (SFA) survey component. The purpose of the SFA component is to collect information about financial aid provided to various groups of undergraduate students and military/veteran educational benefits for all students at your institution.

Data Reporting Reminders:

- Report data to accurately reflect the period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting.

- Undergraduate Student Counts

You will be asked to report information for:

- All undergraduate students
- Full-time, first-time degree/certificate-seeking undergraduate students (FTFT)
- FTFT undergraduate students who (paid the lower of in-state/in-district tuition rate for public institutions and) were awarded any grant/scholarship aid from the federal government, state/local government, or the institution
- FTFT undergraduate students who (paid the lower of in-state/in-district tuition rate for public institutions and) were awarded any Title IV federal student aid

- COA Revisions

Revisions to Cost of Attendance (COA) used to calculate the net price of attendance can be made in this component.

Consult the instructions and screens to make sure you are reporting the correct aid amounts for the correct groups of students.

- College Affordability and Transparency Lists

Net price amounts calculated in SFA will be used to populate the U.S. Department of Education's College Affordability and Transparency lists.

- Interactive Edits and Error Messages

SFA contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges. Some error messages will require you to confirm or explain the values that you entered. Some error messages are fatal and will require you to contact the IPEDS Help Desk at (877) 225-2568 for resolution.

- Context Boxes

You will find optional text boxes throughout SFA. Context boxes allow you to provide more information about the data you enter. Some of these context boxes may be made available to the public on College Navigator, so make sure that the information you enter can be understood easily by students, parents, and the public.

Changes to reporting:

The following changes were implemented for the 2023-24 data collection period:

- Removed the 'Groups terminology'
- Renumbered lines on screens and in instructions
- Reiterated instructions on what is reported in each part for specific students and reporting periods
- Rephrased "room and board" terminology in survey materials to "food and housing," including Glossary terms
- Added FAQ regarding inclusion of incarcerated students
- Revised FAQ regarding experimental site participants

Resources:

Section 1: Comparison Chart

Comparison Chart

Reporting Reminders:

- Based on the information reported on the previous screens for all undergraduate students and full-time, first-time degree/certificate-seeking undergraduate students, this comparison chart seeks to help institutions check their reported data. Assuming the information reported is correct, the calculated fields for 'All Other Undergraduate students' should be the balance. Similarly, comparison chart values for all degree/certificate and all non-degree/ certificate undergraduates should match the total reported in columns 1-4 in Section 1, Part B. If the balance does not check with your institution's calculations, please correct your reported numbers before moving forward with the completion of the SFA survey component.
- Data for all degree/certificate seeking undergraduate students and full-time, first-time undergraduate students are published on College Navigator.

Note:

- Data for the 'all other degree/certificate undergraduate' students and all non-degree/certificate undergraduate students will appear in the IPEDS Data Center for data users, but not in College Navigator.
