Overview

IPEDS Student Financial Aid Component Overview

Welcome to the Student Financial Aid (SFA) survey component. The purpose of the SFA component is to collect information about financial aid provided to various groups of undergraduate students and military/veteran educational benefits for all students at your institution.

Data Reporting Reminders:

- Report data to accurately reflect the period(s) corresponding with the IPEDS survey component requested, even if such reporting seems inconsistent with prior-year reporting.
- Undergraduate Student Counts

You will be asked to report information for:

- All undergraduate students
 - Degree/certificate-seeking undergraduate students
 - Full-time, first-time degree/certificate-seeking undergraduate students (FTFT)
 - Non-degree/non-certificate-seeking undergraduate students

- Interactive Edits and Error Messages

The SFA survey component contains interactive edits to check for blank fields, invalid values, or values outside expected ranges. Some error messages require you to confirm or explain the values entered whereas other error messages are fatal and require you to contact the IPEDS Help Desk at (877) 225-2568 for resolution.

- Context Boxes

You will find optional text boxes throughout the SFA survey component. These text boxes allow you to provide more information or context about the data entered. Some context boxes may be made available to the public on College Navigator, so make sure the information you enter can be understood easily by students, parents, and the public.

Changes to reporting:

The following changes were implemented for the 2025-26 data collection period:

- Changed Section 1 of the SFA Survey to collect the same student counts and aid amounts for categories and sub-categories of undergraduate students.
 - What was previously Part B, which included all undergraduates, all degree/certificate-seeking undergraduates, and all non-degree/non-certificate-seeking undergraduates has been split into 3 parts – Part B (All undergraduates), Part C (All degree/certificate-seeking undergraduates), and Part D (All non-degree/non-certificate-seeking undergraduates)
 - Additional aid types have been added for these categories to align with data collected for FTFT non-degree/non-certificate-seeking undergraduates
 - What was previously Part C is now Part E, which includes all First-time, full-time degree/certificate-seeking undergraduates
 - Additional aid types have been added for these categories to align with data collected for the other student categories in Parts B-D
- Clarified instructions that institutions need to include Iraq and Afghanistan Service Grant (IASG) awards in Federal Pell Grant student counts and award amounts reported to IPEDS due to a change mandated under the Fostering Undergraduate Talent by Unlocking Resources (FUTURE) Act.
- Clarified what benefits need to be included in Section 2 of the survey component
 - Institutions should report Department of Veteran Affairs Post-9/11 GI Bill tuition and fee, books and supplies, and housing benefits disbursed known to the institution in Section 2 of the SFA Survey.
- Clarified that institutions need to report the federal share of Department of Veteran Affairs Yellow Ribbon benefits disbursed known to the institution in Section 2 of the SFA Survey.
- Revised FAQs and made other minor edits for clarity.
