Looking for additional courses (core, major and/or elective) that also meet core designation requirements (i.e., Global Studies, Social Justice, Writing Enriched)? Do an advanced search on Zagweb in one of two ways:

- Go to “Advanced class search”; select relevant term; select “Advanced Search”; highlight specific department or all departments (highlight the top department and use the shift and down arrow keys); highlight relevant attribute under “Attribute Type” (e.g., Core: Global Studies); select “Section Search.”
- Use the “Browse Classes” tab under “Student Registration and Course Planning.” After selecting the relevant term, choose “Advanced Search.” To search across all departments, leave blank the subject area field. Click on the “Attribute” field and select the relevant core attribute(s) from the drop down list (e.g., Core: Global Studies), then hit “Search.”
