# TracDat Quick Guide | Entering Results & Running Reports

## I. Log-in to TracDat

- 1. Go to <u>https://gonzaga.tracdat.com</u> and enter your **Gonzaga username** and **password**.
- 2. After entering TracDat you will see a drop-down box at the top, center of the screen that can be used to select the academic assessment unit you plan to work in.

### II. Enter 2016-2017 Results/Analysis and their related Actions Planned

Steps to Add New Result/Analysis to a Method of Assessment:				
1.	In the left-hand menu, click <b>Unit Assessment</b> and select <b>Results/Analysis</b>	<ul> <li>Unit Assessment</li> <li>Assessment Plan</li> <li>Results/Analysis</li> </ul>		
2.	Click the <b>caret</b> next to a Learning Outcome name to open that area and view Method(s) of Assessment.	WRITTEN COMMUNICATION Sociolog context and purpose for writing, context		
3.	Click the <b>caret</b> next to a Method of Assessment to open that area, view the Desired Results, and access previous results.	Capstone Assignment/Project Eva     Communication VALUE Rubric		
4.	Click the round <b>green plus</b> symbol to the right of the Method of Assessment for which you would like to add Results and Analysis.	<b>+</b>		
5.	<ul> <li>Enter the requested information:</li> <li>Results/Analysis Date can be the current date or when the results were collected</li> <li>Enter Results/Analysis as an 'executive summary' narrative</li> <li>Result Year – select the academic year 2016-2017 from the dropdown options</li> <li>Result Type (met, not met, inconclusive)</li> </ul>	* Results/Analysis Date   10/20/2015   * Results/Analysis   * Result Year   • Result Type   Notes		
6.	Click the <b>Save</b> button after information has been entered, then select the <b>Return</b> button to return to the full Results/Analysis page.	🖹 Save 👻 🦘 Return		
7.	Add <b>Actions Planned/Taken</b> and any Follow- ups by clicking the round <b>green plus</b> symbol, entering the Action(s) Planned or Taken, and any Additional Resources Needed. Be sure to click the <b>Save</b> button when finished.	Actions Planned/Taken		
8.	Attach any <b>Supporting Documents</b> (rubric results, full narratives, charts, graphs, etc.) by selecting the <b>green wrench</b> icon.	Supporting Documents		

## **III.** Enter an Annual Reflection

Add New Annual Reflections:				
<ol> <li>In the left-hand menu, click Unit Assessment and select Annual Reflections</li> </ol>	Vnit Assessment V Annual Reflections			
<ol> <li>Click the green plus symbol to the right of Annua Reflections.</li> </ol>	* Annual Reflections			
3. Select the Academic Year from the drop down me	enu. Reflection Reflection			
4. Enter your <b>Reflection</b> as broad, reflective though your comprehensive assessment plan, results, an activities. Overall, how did things go this year? In general, what did you learn from your assessmen data this year? Are you beginning to see trends the are leading to overarching program changes?	t Reflection			
<ol> <li>Click the Save button after information has been entered, then click the Return button to return to full Annual Reflections page.</li> </ol>	o the 💾 Save 👻 🦘 Return			

# IV. Run the Assessment Report, Save it in your Documents Repository

Add New Annual Reflections:	
	Reports V
1. In the left-hand menu, click <b>Reports</b> and select <b>Standard Reports</b>	Standard Reports
2. Select Assessment Report from the list of reports	* Format PDF V
2. Select Assessment Report from the list of reports	* Report Title 2016-2017 Psychology Assessment Report
2 Denome the <b>Denort Title</b> to include the academic year and the	Report Subtitle
<ol><li>Rename the Report Title to include the academic year and the department/program name</li></ol>	Report Logo Gonzaga University Spires Logo* 🔻
	Filter
	Learning Outcome Statuses
	Planned Assessment Years
	Assessment Method Categories
	Sort Results/Analysis OAscending ODescending
4. Select the <b>Result Year</b> : 2016-2017	Results/Analysis Date Between and
	Result Years 2016 - 2017 🕷
	Result Types
	Annual Reflections
	Options
	Include Learning Outcomes With No Results/Analysis
5. Uncheck first two options boxes (because we only want to include	Include Assessment Method With No
outcomes with results/analysis for your final report submission)	Results/Analysis
6. <b>Check</b> the options box to include Annual Reflections	Include Inactive Assessment Method
	Include Fields With No Data
	Include Annual Reflections

7. Click the <b>Open Report</b> button. The report will open in a new tab.	🖺 Open Report 🔻 🦘 Return			
8. If report looks correct, then <i>download and save</i> the PDF to your computer directly from your internet browser (usually <i>download</i> will be an arrow icon in the top right corner or your internet browser).	C Download			
<ul> <li>9. Upload the report to your Document Repository: <ul> <li>In the left-hand menu, click Documents and select</li> <li>Document Repository</li> <li>Click the green plus symbol at right to upload the report</li> <li>Place it in the Assessment Committee Feedback folder (this is where the Committee will access it to provide feedback)</li> <li>Click in box that reads "Click to browse for files"</li> <li>Select the report from your computer drive, and then click the yellow Save button</li> </ul> </li> </ul>	Home     Document Repository     wkademic SMMEE Crop & Sall Science (M.S.)     whit Assessment     Course Planning     Course Planning     Course Planning     Gorceral     Mapping     Gorceral     Gorceral     Gorceral     Gorcerat     Gorcerat			
Tip:When uploading documents related to your department's assessment work, try to be as descriptive and complete as possible with the filenames and descriptions. The description text will not show in the final reports, but will help your department stay organized in TracDat as the information grows over time. When reports are run in TracDat, the filenames become clickable hyperlinks to those documents, and explanatory text will be clearer to the people reading the reports. Examples:11-12.Rubric.578823.docxversus2011-2012_Senior_Thesis_Rubric.docx

#### Gonzaga's ATAS office is here to help!

Please do not hesitate to contact us for assistance or training as often as you need. We know you will only use this program a couple times a year, and it's not always easy to remember the step-by-step processes.
