- MBA/JD (Combined Degree MBA with Juris Doctor)
- MAcc/JD (Combined Degree MAcc with Juris Doctor)

The MBA/JD & MAcc/JD programs allow students to waive up to 9 credits between the 2 programs. No more than 6 credits in either program. The MBA/MAcc courses and grades for the dual credits do not show up on the students JD transcript, and vice versa. Students earning one to six credits in waiver of Gonzaga academic course work from either the MBA/MAcc or Law School degree program, are posted to the respective Gonzaga transcripts. While credits earned in waiver do appear on the transcript record, the grade earned of a “T” does not calculate toward the cumulative GPA in either degree program.

Dual degree students *must* turn this form in with their applications to graduate for both programs.
