invite you to the:

TOY ADAPTATION WORKSHOP

**Help us make toys more
accessible for all children!**

**SUNDAY, MARCH 3
12P - 3P
LOCATION: CATALDO**

This Workshop aims to adapt electronic toys for children with special needs. A one-day three-hour workshop will bring engineering (and non-engineering) students, faculty, staff and the local community together for the benefit of bringing joy to a child through an intentionally adapted toy!
