Volunteer, South San Francisco HIV / AIDS family clinic 2006 – 2008

Major League Baseball Players Wives Charitable Foundation, SF Chapter leader 2004 - 2009

SCHOLARLY ACTIVITIES:

Publications:

Hennessey E. A Novel Combination of BroadBand Light (BBL® HERO™) and Nonablative

Fractionated 1,927nm (MOXI™) Laser for Addressing Solar Lentigines. *J Clin Aesthet Dermatol.* 2024 Sep-Oct;17(9-10 Suppl 1):S36-S39. PMID: 39386001; PMCID: PMC11460752.

Trigueiro AJP, Ramirez J, Hennessey E, Beqiri M. Metabolic Syndrome Identification in Patients Treated With Second-Generation Antipsychotic Medications. *J Psychosoc Nurs Ment Health Serv.* 2022 Aug;60(8):11-18. doi: 10.3928/02793695-20220314-01. Epub 2022 Mar 25. PMID: 35316124.

Hennessey, E.M. (2020) Halo®: An Effective Treatment For Skin Conditions In Fitzpatrick IV – VI Patients. Palo Alto, CA: Sciton. (peer reviewed)

Hennessey, E.M., Hickman, R.L., Toly, V.B., Gary, F.A. (2017) Caregiver Appraisals of Anxiety, Pain, and Behavioral Changes Among Children After Ambulatory Surgery. *Journal of Pediatric Surgical \ Nursing*, 6(3), 70-77. doi: 10.1097/JPS.0000000000000142 (peer reviewed)

Pending Publications:

Hennessey, E.M., Sweezie, R.A., Soni, R.E. (2024) A Novel Combination of BroadBand Light and Thulium Laser for Addressing Solar Lentigo in Fitzpatrick Types I-III. Palo Alto, CA: Sciton.

Technical Writing:

2017/18 Columnist for “Healthy Living News” Toledo, Ohio

Book Chapters:

Fitzpatrick, J.J., Alfes, C.M., & Hickman, R.L. (2018) *A guide to mastery in clinical nursing: The comprehensive reference*. New York, NY: Springer Publishing Company, LLC. (chapter contributor)

Scholarly Presentations:

2013, September; UAW Nursing Symposium speaker on “The Future of Nursing”

2015, January; Sigma Theta Tau speaker on “Pediatric maladaptive behavior postoperatively”

2016, November; NWOOA speaker on Malignant Skin Lesion Identification and Management in Primary Care

2017, May; OAAPN speaker on Malignant Skin Lesion Identification and Management in Primary Care

2017, November; OAAPN Speaker on Skin evaluation and Wound management in Primary Care.

2018, March; OAAPN speaker on Dermatology in Primary Care

2018, March; NWOOA speaker on Research Updates in Dermatology that affect Primary Care providers

2018, October; OAAPN Statewide conference speaker on benign and malignant skin lesion identification and management

2019, March; OAAPN – Emerging treatments for skin and mucosa.

2019, November; Sciton® Summit “Laser talk” Dallas, TX clinical expert.

<https://youtu.be/cnNMSu6uIVw>

2020, April; Sciton® Halo for skin of color.

<https://sciton.com/webinars/halo-an-effective-treatment-for-skin-conditions-in-fitzpatrick-iv-vi-patients/>

2020, May; Sciton® Reopening your medical practices after COVID – what should we focus on?

2020, September Sciton® Summit speaker on Fractional ablative and non-ablative effects on dermal pigmentation and vasculature.

2020, October; OAAPN – Speaker on Skin Cancer identification for new providers

2021, December, Chicago, IL Sciton® Summit Speaker on the use of multiple modalities of light, fractional, ablative and non-ablative therapies in the improvement of actinically damaged skin and precancerous pathological changes.

2021, November, Washington DC speaker on advanced utilization of hyaluronic based injectables for facial reconstruction and scar management.

2021, October, Columbus, OH OAAPN speaker on the emergent treatment of vascular compromise and impending necrosis related to hyaluronic acid dermal treatment.

2021, October; Atlanta, GA, ISPAN panelist on the use of platelet rich fibrin for the expedited healing process of skin cancer and burn injury graft sites via laser assisted delivery and direct injection into the dermal epidermal junction.

2021, October; Seattle, WA, speaker on the treatment of Rosacea and Disorganized vasculature of the skin treated with alexandrite laser, KTP laser, and Erbium Yag laser.

2021, October; Nashville, TN, AMSPA speaker on the update of the Safety Council and guideline development.

2021, October; Nashville, TN, speaker on Nanofractionated radiofrequency microneedling for the treatment of scars in areas that lack adnexal structure.

2021, September; Miami, FL, Sciton® Summit Speaker on the use of multiple modalities of light, fractional, ablative and non ablative therapies in the improvement of actinically damaged skin and precancerous pathological changes.

2020, September Sciton® Summit speaker on Fractional ablative and non-ablative effects on dermal pigmentation and vasculature (audience of 1200 physicians, nurse practitioners, physician assistants, and laser technicians)

2022, November, Chicago, IL, Use of the 1927 wavelength in the treatment of Melasma and the role of melanocytic stimulating hormone in pigment management.

2022, August, Seattle, WA, The culture of practice and how to build comradery amongst advanced practice providers

2022, August, Brisbane Australia, P. Acnes bacterial load management with blue light therapy.

2022, August, Sydney Australia, Utilization of novel wavelengths in the management of basal cell carcinoma and squamous cell carcinoma non surgically.

2022, June, Minneapolis / St. Paul, MN, Entrepreneurship in Nursing; “Let’s get down to business.”

2022, May, Detroit, MI, Use of columnated light therapy in scars and actinically damaged skin.

2022, March, Washington DC, US FDA; Safety and efficacy of Ultrasound therapy panel in the management of vascular occlusion secondary to injection of Hyaluronic acid, calcium hydroxyapatite, and poly l-lactide.

2023, January, Las Vegas, NV AmSpa Safety Council panel update on the legal ramifications of in office procedures

2023, January, Las Vegas, NV – AmSpa education, Utilization of stacked wavelengths in Visible light and columnated laser therapy.

2023, February, Scottsdale, AZ – Sciton presentation on entrepreneurship and partnership as a nurse practitioner. Panel presenter on light and laser therapy options for patients.

2023, February, Perrysburg, OH – Laser Physics education.

2023, February, Houston, TX – BBL state of the union presentation. Panel presenter on light and laser therapy options for patients.

2023, March, St. Louis, MO - Laser Physics education.

2023, March, Columbus, OH - Sciton presentation on entrepreneurship and partnership as a nurse practitioner. Panel presenter on light and laser therapy options for patients.

2023, May, Minneapolis, MN - Sciton presentation on entrepreneurship and partnership as a nurse practitioner. Panel presenter on light and laser therapy options for patients.

2023, May, Menlo Park, CA - Laser Physics education, and Halo / Laser Resurfacing presentation.

2023, July, Chicago, IL - Sciton presentation on entrepreneurship and partnership as a nurse practitioner. Panel presenter on light and laser therapy options for patients.

2023, August, Seattle, WA - Sciton presentation on entrepreneurship and partnership as a nurse practitioner. Panel presenter on light and laser therapy options for patients.

2023, September, Brisbane, Australia - Sciton presentation on entrepreneurship and partnership as a nurse practitioner, DiVa for stress urinary incontinence as a novel option.

2023, September, Toronto, Canada - Sciton presentation on entrepreneurship and partnership as a nurse practitioner. Panel presenter on light and laser therapy options for patients.

2023, October, New York, NY - Sciton presentation on entrepreneurship and partnership as a nurse practitioner. Panel presenter on light and laser therapy options for patients.

2023, October, Austin, TX - ISPAN conference - Laser Physics education, and Halo / Laser Resurfacing presentation with Loretta Zanetta, APRN.

2023, November, Santa Monica, CA - Sciton presentation on entrepreneurship and partnership as a nurse practitioner. Panel presenter on light and laser therapy options for patients. Hands on presentation of Profractional 2940 wavelength therapy for post-surgical scar management.

2023, November, Nashville, TN - Sciton presentation on entrepreneurship and partnership as a nurse practitioner. Panel presenter on light and laser therapy options for patients. Hands on presentation of Profractional 2940 wavelength therapy for post-surgical scar management.

Glass City Grind; 2017 and 2018 – “Skin Care and Aesthetic contributor”

WTOL channel 11; 2018 – “DiVa vaginal rejuvenation for new moms, cancer survivors, and post menopause”

BCAN channel 7; 2018– “The cancer survivor experience and what practical survivorship looks like for patients”

BCAN channel 7; 2018 – “Men’s health and skin cancer risk”

WTOL channel 11; 2020 – “Facial skin care and healing in the times of COVID”

RESEARCH EXPERIENCE:

Research assistant and data collector – University Hospitals / Cleveland Clinic; 2011 – 2015

DNP SCHOLARLY PROJECTS:

2020-2021

Chair: Trigueiro, Anthony, *“Evaluation of Metabolic Syndrome Risk Factors in an Inpatient Psychiatric Unit: A Retrospective Chart Review”*

Chair: Weiss, Emily (Kitty) *“Pain Management with Non-Narcotics for Reduction in Opiate Use After Cesarean Delivery: A Retrospective Chart Review”*

Committee Member: Colleen Mack, *“A Pilot Program Evaluation of the STI Program at Pregnancy Resource Center”*

Committee Member: Einig, Guy, *“Improved information handover of nursing home patients transferred to the Emergency Department”*

Committee Member: Muggleston, Meaghan, *“Clinical Champions in Primary Care Opioid Use Disorder Treatment”*

HONORS AND AWARDS:

- | | |
|---|----------------|
| Nursing Excellence
St. Anne Mercy Hospital | November 2017 |
| • House of Representatives Award of Recognition
Public CPR | October 2018 |
| • Distinguished Educator in Laser Surgery
Sciton | September 2020 |
| • Inducted into Sigma Theta Tau – Alpha Mu Chapter
International Honor Society for Nurses | November 2000 |
| Excellence in Education Award
Sciton | May 2022 |

TEACHING ASSIGNMENTS/CURRICULUM DEVELOPMENT: Gonzaga University

(*) Courses Developed, Co-developed or Redesigned ()**

Graduate (MSN)

- NURS 523(**)Advanced Pathophysiology (Course Lead)
- NURS 561 Information Technology & Data Management
- NURS 651(**)Gender Based
- NURS 661(**)Gender Based Practicum

- NURS 652 Infant, Child, Adolescence
- NURS 662 Infant, Child, Adolescence Clinical
- NURS 653 (**)Adult / Gerontology 1
- NURS 663(**)Adult / Gerontology 1

Doctoral (DNP)

- NURS 701 DNP Practicum I
- NURS 702 DNP Practicum II
- NURS 711 Quality Improvement and Leadership
- NURS 760 Project Readiness
- NURS 761 DNP Project Seminar I
- NURS 762 DNP Project Seminar II
