§ During Spring 2023 only, students may enroll in Corporations and Agency concurrently. Students are put on notice that the courses are sequential in design, so taking them in order optimizes the course design and is likely to have greater learning outcomes. Although permitted to enroll in both, taking classes out of sequence may not be advisable for students who hope to maximize their learning outcomes in the second course in the series, Corporations.

* Every-other-year course
# Pending faculty approval

† Meets Upper-level LRW Requirement
