

2022-2023 Cost of Attendance for International Students

The Gonzaga University Financial Aid Office establishes standard cost of attendance budgets that reflect the educational costs for an academic year. These budgets are intended to provide an adequate, but modest lifestyle and includes the estimated cost of tuition, fees, books, room, board (meals), transportation, and personal expenses. More information about specific tuition and fees can be found on the [Student Accounts website](#). The Cost of Attendance for international students is based on estimates established by the Gonzaga Financial Aid Office by removing loan fees and adding mandatory health insurance.

If your spouse and/or children are accompanying you to the United States, you must show an additional \$7,500 for each dependent. Purchasing Gonzaga's medical and accident insurance is required for all international students on F-1 and J-1 visas.

Costs are subject to change without notice. Due to rising costs, financial planning should allow for a 5%- 10% annual increase in living expenses and/or tuition. * Indicates costs vary from person to person.
