

# 2024-2025 Cost of Attendance for International Students

The Gonzaga University Financial Aid Office establishes standard cost of attendance budgets that reflect estimated educational costs for one academic year. These budgets are intended to provide an adequate, but modest lifestyle and includes the *estimated* cost of tuition, fees, books, room, board (meals), transportation, and personal expenses. More information about specific tuition and fees can be found on the [Student Accounts website](#). **Direct costs** are expenses charged directly by Gonzaga and include tuition, course fees, and on-campus housing and meal plans. **Indirect costs** are not charged by Gonzaga and represent an estimate of expenses students might incur while attending school.

The Cost of Attendance for International Students is based on Financial Aid Office’s estimates by removing First Year Experience Fees, loan fees, and adding mandatory health insurance cost. All international students on F-1 and J-1 visas are required to purchase medical insurance provided by Gonzaga University. Students must show an additional \$7,800 for each dependent (spouse/children) they wish to invite to the U.S. to accompany their studies.

Costs are subject to change without notice. Due to rising costs, financial planning should allow for a 5 to 10 percent annual increase in living expenses and/or tuition. \* Indicates costs vary from person to person. Please understand all the costs are meant to be *estimates*.
