

2024-2025 COST OF ATTENDANCE

The Gonzaga Financial Aid Office establishes standard cost of attendance budgets that reflect the educational costs for an academic year. These budgets are intended to provide an adequate, but modest lifestyle and includes the estimated cost of tuition, fees, books, housing, meals, transportation, and personal expenses.

Direct costs are expenses charged directly by Gonzaga and include tuition, course fees, and on-campus housing and meal plans. **Indirect costs** are not charged by Gonzaga and represent an estimate of expenses students might incur while attending school.

Additional information about specific tuition rates and course fees is available on the [Student Accounts website](#).
