

## IB Policy for students entering Spring 2020 and prior:

International Baccalaureate (IB) is a standardized and highly rigorous secondary school curriculum used worldwide. Gonzaga University will grant college credit for scores of 5 (6 for English and History) or better earned on certain Higher Level IB exams.

You need not complete the full IB program nor receive the IB diploma to receive college credit. No credit will be awarded for the results of any Standard Level examination, for scores below 5 on Higher Level subject exams, for any Higher Level subjects not listed on the chart below, or for solely earning an IB Diploma.

A maximum of 30 semester credits can be earned at Gonzaga through the International Baccalaureate program. Questions regarding credits should be directed to the Office of Admission.
