

A photograph of the Gonzaga College building, a large brick structure with a prominent arched entrance. The entrance is inscribed with "GONZAGA COLLEGE" and "FOUNDED 1887" on the left and "ERECTED 1898" on the right. A large evergreen tree stands in front of the building. To the right, a church spire is visible against a cloudy sky. In the foreground, there is a statue of a man on a pedestal and a fountain. The scene is set during autumn, with trees showing red and orange foliage.
