**Celeste Shaw**  
**Owner of Chaps Bakery**

Join us and Celeste Shaw in a discussion of leadership, service, and how food can be used as a form of love and service to others. Celeste is an established business woman in Spokane, known famously for her bakery; Chaps. She has utilized her business to create the Food is Love Campaign. The campaign works to provide mentorship and support to hungry children in the Spokane Community. We are thrilled to have Celeste with us to share her stories and passion for nurturing others through cooking.
