## PRE-DENTAL RECOMMENDED COURSEWORK

Dental schools do not require a specific undergraduate major for admission. However, they do require a strong foundation in the basic sciences. Each school determines its own prerequisite coursework, but based on best practices and available information, the Health Professions Pathways Program (in collaboration with Academic Advising) recommends that pre-dental students complete the following courses regardless of their major:

Recommended Courses at Gonzaga	Credits
<b>3 Semesters of Biology</b>	
BIOL 105/L Info Flow in Biological Systems with lab	4
BIOL 106 Energy Flow in Biological Systems	3
BIOL 170/L Intro to Microbiology <b>or</b> BIOL 370/L Microbiology	3
<b>5 Semesters of Chemistry</b>	
CHEM 101/L General Chemistry I with lab	4
CHEM 102/L General Chemistry II with lab	4
CHEM 230/L Organic Chemistry I with lab	4
CHEM 231/L Organic Chemistry II with lab	4
CHEM 307/L Biochemistry with lab	4
<b>2 Semesters of Anatomy &amp; Physiology</b>	
HPHY 241/L Human Anatomy & Physiology I w/ lab	4
HPHY 242/L Human Anatomy & Physiology II w/ lab	4
<b>2 Semesters of Physics</b>	
PHYS 111/L General Physics I with lab <b>or</b> PHYS 121 Scientific Physics I with lab	5
PHYS 112/L General Physics II with lab <b>or</b> PHYS 122 Scientific Physics II with lab	5
<b>1-2 Semesters of Mathematics</b>	
MATH 121 Statistics ( <i>highly recommended</i> )	3
MATH 148 Survey of Calculus <b>or</b> MATH 157 Calculus-Analytic Geometry ( <i>varies by dental school</i> )	3 to 4
<b>TOTAL</b>	<b>54 to 55</b>

### How to Use These Recommendations:

- Students should use this list of recommended coursework as a **guide**, and work with their advisor and/or [Academic Advising & Assistance](#) to develop an academic plan that aligns with individual needs and goals.
- Dental programs may require Microbiology be an upper-division course – contact individual schools.
- Dental schools may require or recommend additional coursework not listed here. Students are responsible for researching individual dental school admissions information to ensure fulfillment of coursework that makes for competitive candidacy at those schools.
  - Refer to the [ADEA Official Guide to Dental Schools / Dental School Explorer](#)
- This information is accurate as of the date listed below, and courses are subject to change. Providing this information does not guarantee availability of or access to courses.

### Students are ultimately responsible for confirming:

- Details about when courses are offered and any restrictions that may require course authorization for approval to register. This information can be researched in Zagweb, the course catalog, and/or by appointment with an academic advisor and may include:
  - Pre-requisites (course or minimum grade) that need to be completed prior to registering for a course
  - Co-requisite course (or other requirement) that a student must take at the same time
  - Restrictions (major, minor, or class year) that may prevent a student from registering for a course
