

## LISTING YOUR REFERENCES

The following is a sample list of references to provide to employers upon request for a reference list. Do not include the reference list when you send your résumé or list references on your résumé. Rather, have your references on a separate page that you can give to employers when they ask for them.

Copy and paste the same heading from your résumé to the top of the reference sheet.

### Example:

**Firstname Lastname**

gonzagastudent@zagmail.gonzaga.edu | 123-456-7890

#### References:
